Pre-Sixth Form Tasks

Subject: Physics (Units 1 and 2)

Task	Detail	Demonstrated		
		Yes	Partially	No
Organisation	A large lever-arch folder, with dividers or clear sections for AS units : 1. Measurements and errors 2. particles and radiation 3. Waves 4. Mechanics 5. Electricity			
	Specification printed and included in folder.			
	Order or the "physics essentials pack" (£10) and course textbook. *ISBN: 978 1 78294 323 5*			
	This task sheet printed and include in folder.			
Further reading	Read and complete questions from the book" Head start to A-Level Physics". *ISBN: 978 1 78294 281 8*			
	Research using the A-level physics AQA year 1 textbook - SI Units - The Principle of Moments - Stationary waves			
Additional task(s)	Read one (or more) of the following books: 1. A brief history of time. 2. The elegant universe. 3. Surely you're joking Mr. Feynman 4. Quantum. 5. The fabric of the universe. 6. In search of Schrodinger's cat.			

- **Tasks satisfactorily completed:** Yes / No
- **Subject Teacher signature:** _____
