About our schools

There are seven schools, three of which are secondary schools, within GEP Academies:

George Abbot School is a large 11-18 oversubscribed mixed comprehensive with 2,000 students, of which 500 are in the Sixth Form. There is a staff body of approximately 215 (135 teaching staff). George Abbot is a Teaching School and runs a SCITT programme.

Kings College is an 11-16 mixed comprehensive, which is a popular community school with an excellent record of staff development and a research-led approach to teaching and learning.

Fullbrook is a large mixed comprehensive with a high performing Sixth Form. Fullbrook has an excellent reputation in the local community and benefits from a comprehensive CPD programme. We challenge, respect and support each other to be better than we ever thought we could be.

Our four Primary schools are: Boxgrove Primary, Sandfield Primary, Guildford Grove Primary and Loseley Fields Primary.
