

The PE Department have invested in a new system to improve communication and recording/reporting of fixtures and clubs at George Abbot School. **The system is called SOCS SPORT.**

EVERYTHING students & parents/guardians need to know regarding clubs and fixtures can now be found via the **George Abbot School Website.**

It is a **students responsibility** to check the website for all fixture dates, team sheets, fixture details (location, time, opponent etc).

Captains should check this information well in advance

Here are some screen shots to demonstrate how to use all of the functions the website has to offer.

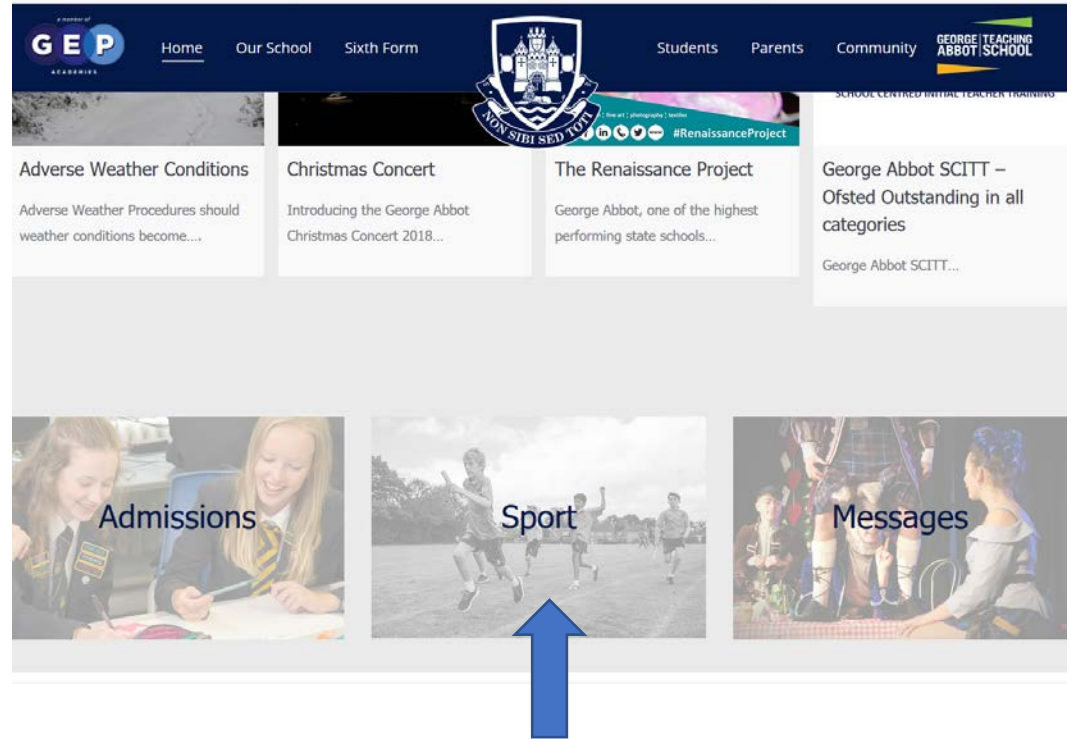

I am confident this new system will enhance communication systems for all sports fixtures and events. If you do have any feedback please do contact me on cgraves@georgeabbot.surrey.sch.uk

Kindest regards,

Mrs Graves
