SCHOOL

## Headteacher's Message

04 December 2020

At the end of 6 months of uncertainty about next summer's GCSE and A Level exams, some definitive information from the DfE:

- Grading will be more generous than usual.
- Advance notice of some topic areas to be covered in exams will be provided for schools.
- Exam aids (e.g. formula sheets) will be provided for some exams.
- Contingency exams will be scheduled just after the main exam series (in July) for students who may have had to miss an exam owing to isolation or illness.

This is important news for the students in our Year 11 and Year 13 cohort who have been awaiting some form of certainty, however that may look. Educators may have argued that exams covering less material but maintaining the same grade boundaries could have been a different path, but as Head at George Abbot, I am grateful that the building anxiety for our exam cohorts can at least be partially addressed by these DfE position statements. It is important that the government has addressed the huge disparity in access to education that young people across the country have experienced since March 2020. Just in the autumn term alone, the experience in different schools has been significantly varied, with many young people finding themselves in a whole year group sent home to isolate for repeated sets of 14 days. DfE action was needed to address these growing and damaging inequalities across England.

In relation to our imminent Year 11 mocks, please see the Year 11 section immediately following this introduction for some operational details about the arrangements for students in the exam period. Additionally, there are two further walking talking mock revision sessions for English. The first is this Saturday, 5 December at 10.30 and the next on Saturday 12 December at 10.30am. These will both form important revision preparation for the upcoming English Language mock exams. Recordings will be placed on the SLE in case your child is torn by the choice of a much awaited restart of a sports club this Saturday morning...or an English revision session. Please do encourage your son/daughter to log on live on Saturday at 10.30am.

A reminder to our Year 8 parents, that Year 8 students will have tutor time both next week and in the last week of term. This means that they need to arrive at school, ideally for 8.20am for the remainder of term. All other year groups remain on the established rota of tutor time weeks. Next week is Cross Country week - after school on Tuesday, Wednesday and Thursday - do please encourage your child to give it a go.

Next term, we hope to be moving, along with our whole community, into a new COVID-19 phase, with a vaccine available and the R rate reducing. However, we cannot take this for granted and know that Christmas may well bring its own risks in terms of the spread of coronavirus. With that in mind, all of our current COVID-19 measures will remain in place into the Spring Term, including the lesson omission rotation system across all 5 lessons. Perhaps here, an assurance is important - though the rotation does impact on the regularity of some lessons, the overall time spent in each subject area is exactly the same as in our usual school timetable. Though this can feel like a compromise to our normal operations, it has been a significant factor in our ability to reduce contact between year groups and to keep our school open and safe. On that basis, we will review the policy again at February half term.

Thursday was the first wet weather day for some time, and as I type on Thursday evening, we wonder if snow will fall on Friday. Some Christmas trees have appeared in various parts of the school, bedecked with tinsel and baubles. My drive to work has been accompanied by a welcome burst of Christmas classics - Bubl  will shortly become a point of significant contention in houses populated by teenagers. As school closes today, with two weeks ahead until we break for Christmas, we feel that we have done well to be where we are - going strong though, if we are honest, with marginally less pzazz!

## Operational Tips for Year 11 students during the mock exam period:

- Mock exams will take place in lessons Y and Z every day and are also scheduled in lessons W and X on both Friday 11 and Friday 18 December.
- Exams in lesson Y are largely taking place in classroom—see below.
- Exams in lesson Z are largely taking place in large venues—see below.
- Above is a timetable compiled to support our Year 11 students with revision planning in this period – the principle is that half of all lessons with Year 11 will be taught and half will be offered for independent revision for that day’s exams. The exception will be practical subjects, where time may be needed for coursework rather than revision.
- Students should go to their normal timetabled lesson if they do not have an exam on their timetable for that day – there is no study leave during this period.
- Exams in lesson Z commence at 2.15pm. Therefore, Year 11 will be dismissed from the playground at the end of the 3<sup>rd</sup> break and sent to their normal lessons. Teachers will then dismiss those going to exams at 2.05pm.
- Exams are being held in official exam conditions – students cannot be late. They must have all equipment required. They must turn off their phones and leave them in their bags at the back of the exam hall.
- The exam period is busy. Students should bring extra snacks and water. Sleeping is essential as is a sensible balance between revision and rest.
- Current indications are that summer exams will go ahead – do not let your teenager panic about this being the only chance they will get – that is too much pressure and is unnecessary. We cannot predict the future but do remain optimistic. We know full well that this is not the end of our Year 11s’ progress journey and we do not expect them to perform as they might in 6 months quite yet.
- Remember that some exams finish well after the end of the normal school day – check the schedule to make sure travel arrangements are in place.

## Surrey COVID-19 Cases

Publication Date:  
Thursday 3 December 2020

All data is publicly available. Data is shown by specimen date - reporting delays mean data can be incomplete for the most recent days. For this reason the data shown is for the seven-day period ending five days prior to the publication date. The rate is calculated daily by Surrey County Council Public Health data intelligence team using the ONS 2019 mid-year population estimates. The 7-day average line on the chart is calculated using the average of cases for three days before, the date itself and the three days after any specific date. The average is not calculated for the most recent three dates as there is not enough data. For more detail please refer to the Surrey COVID Intelligence Summary at [www.surreycc.gov.uk/covidcases](http://www.surreycc.gov.uk/covidcases) and [coronavirus.data.gov.uk](http://coronavirus.data.gov.uk)

## Whole School

⇒ **REMINDER: Early school closure for Year 7 Subject Consultations – Monday 7 December**

School will be closing at **1.30pm** on **Monday 7 December** for the Year 7 Parent/Teacher consultation meetings.

Please note there will be canteen provision for break 1 (Years 13 and 9) and break 2 (Years 11 and 7). School closure at 1.30pm will mean no break 3 provision (Years 10 and 8) on this day.

⇒ **ADVANCED REMINDER—Early school closure for Year 8 Subject Consultations—Thursday 7 January**

School will be closing at **1.30pm** on **Thursday 7 January** for the Year 8 Subject Consultation meetings.

When the Progress Monitoring Subject Consultations are for a year group other than their own, students are expected to complete work set independently at home during the afternoon. This work will be set via Satchel One and/or the SLE.

Provision has been made for students who are unable to go home at this time. If you wish for your son/daughter to remain supervised in school, please let us know by emailing [curriculum@georgeabbot.surrey.sch.uk](mailto:curriculum@georgeabbot.surrey.sch.uk) by close of school on **Wednesday 6 January**. It is important to note that supervised student places are more limited than in previous times due to COVID-19 restrictions, so it is vital we are forewarned of those who will be in attendance.

If you notify us that your child will be remaining in school and your arrangements change, it is essential you let us know of the change before 12.00pm on the day. **Where we have been notified that a student will be remaining in school, if they fail to arrive and register at USIC, you will be contacted by a truancy call alert from our attendance system. Therefore it is important they register in USIC at 2.15pm.**

Please be reminded that school buses will run at the usual times.

⇒ **CHRISTMAS JUMPER DAY—Friday 11 December**

Please encourage your child to partake in Christmas Jumper Day next Friday.

⇒ **Free School Meals**

Please see the letter attached regarding Free School Meals.

We will be issuing all eligible students a supermarket voucher for the Christmas holidays. **If your email has changed since the summer, please email [sjones@georgeabbot.surrey.sch.uk](mailto:sjones@georgeabbot.surrey.sch.uk) by Monday 7 December.**

⇒ **Keeping your household, family and community safe—Surrey County Council**

Please see the letter attached from Surrey County Council.

⇒ **Stationery**

Please can you ensure your child continues to come to school with the correct equipment, replenishing any items that may have run out. Several students are missing pens, glue sticks and whiteboard pens. COVID-19 restrictions mean we cannot lend equipment to students.

⇒ **Careers Opportunities**

For the last day of term, Friday 18 December, Year 9 canteen break will return to break 1 again. Students will be informed of these changes in their tutor periods.</p> <p style="text-align: right;"><a href="#">Return to home page</a></p>

## Year 8

### ⇒ Year 8 Subject Consultations—Thursday 7 January 2021

Please see information attached regarding Year 8 Subject Consultations.

### ⇒ Tutor Time

Year 8 will now have tutor time **both weeks until the end of term**. This will be hugely beneficial for pupils to have a structured start to the day while allowing tutors to build relationships and provide support through consistent contact time. Therefore, pupils need to arrive in school and make their way to the Year 8 playground for 8:20am. Tutors will meet and collect the form at 8:25 so form time can start at 8:30 prompt. If pupils are not present on the playground or arrive after 8:30am they will be deemed late to tutor time.

### ⇒ Residential Trip

We are pleased to announce the Year 8 Residential trip is planned for PGL Osmington Bay, Dorset in July 2021. Please see attached letter which has details of the trip, including the PGL COVID refund promise and payment details.

## Year 7

### ⇒ Autumn Progress Reports

This is to notify you, we have now released the Year 7 progress reports and they are available for you to view via the SIMS Parent App <https://www.sims-parent.co.uk> as a PDF file.

Here is a report template, including the key, to give you an idea of what the report contains.

<<Forename>> <<Surname>>  
<<reg>>

Attendance: <<PercentageAttendance>>      Achievement: <<Achievement Points>>      Behaviour: <<Behaviour Points>>  
No. of Lates: <<NoOfSessionsLate>>

Subject	SAM %	CPI	Engagement
Art			
Core PE			
Dance			
Drama			
DT			
English			
Food			
French			
Geography			
German			
Graphics			
History			
ICT			
Mathematics			
Music			
PSE			
Religious Education			
Science			
Spanish			
Textiles			

SAM %	Significant Assessment Mark as a percentage.
CPI	Current Progress Indicator.
Aspiring	Working towards making expected progress.
Achieving	Working towards exceeding expected progress.
Excelling	Exceeding expected progress.

The attendance percentage and the number of lates are based on the morning and afternoon registration session. The morning registration mark is recorded by the form tutor and the afternoon registration mark is recorded by the teacher of the period Z lesson.

The behaviour points are the number of sanctions logged this term so far, the achievement points is the number of house points the student has achieved.

The Significant Assessment Mark (SAM) is the mark which the student has achieved in their assessment. If more than one assessment has been completed it will be the average or the most significant of the assessments. The science SAM is an average of all the assessments that have been taken in Biology, Chemistry and Physics. The set leader will liaise with the other class teachers and submit the engagement score.

The current progress indicator shows how well the student is making progress based on prior attainment data. For academic subjects this will be based on each student's ability, for other subjects this will be based on a baseline assessment taken at the start of Year 7.

[Return to home page](#)

## Year 7

It is individualised for each student and for each subject they study; it can be thought of as the secondary school version of the age related expectation which you were used to at primary school. As each assessment is unique, it may be that the same score for two different assessments, results in a different Current Progress Indicator (CPI). This is entirely possible and is similar to different subjects or papers at GCSE level having different grade boundaries.

PSE and core PE do not have entries for SAM or CPI. They will be reported on at the next reporting cycle.

Where a student's engagement is a cause for concern, the teacher of that subject will have identified a target for improvement.

If you have any questions relating to these reports, or need help registering for the SIMS Parent App, please contact [simsapp@georgeabbot.surrey.sch.uk](mailto:simsapp@georgeabbot.surrey.sch.uk).

## Weekend Workout 3!

The last weekend workout of the term...enjoy!

## Weekend Workout 3

# Extra-Curricular: Sport

Extra-Curricular Sports Clubs will return in full from Tuesday 12 December. The timetable will be published before Christmas.

## House Cross Country Event—w/c 7 December 2020

A final reminder of next week's House Cross Country event. Please see below for further information:

- Students should meet in the Sports Hall on the afternoon of their event.
- A register will be taken.
- Students should wear full PE kit with their house shirt. Trainers should be worn. Football boots and running spikes are not advised.
- If they do not have PE on the day, please come to school in PE kit.
- The event will finish around 4:15pm.

**Year 7**—Thursday 10 December—3:30 start

**Year 8**—Tuesday 8 December—3:30 start

**Year 9**—Wednesday 9 December—3:30 start

**Years 10/11/12/13** must send in 3,4 or 5km recent times to Mr Rodgers

## Rugby in PE lessons

With the new 'return to play' guidance from the RFU, we will begin to incorporate contact drills within our PE lessons. To prepare for this, could all students who are in a group currently studying rugby please purchase and bring in a moulded gum shield. This also applies to all students who wish to attend a rugby extra-curricular club.

PE teachers will always provide appropriate differentiated contact and non-contact practices for the group and the students they are teaching.

# Focus on—Be safe, be seen: cycling at night

During the pandemic, we have been wearing masks to protect others. But when we're out on the roads, we need to think about how we can keep ourselves and others in our community safe. With the darker nights creeping in, please encourage your child to be BE BRIGHT and BE SEEN when travelling to and from school.

## The Highway Code states:

- Your child **MUST** wear or carry something **light-coloured, bright or fluorescent** in poor daylight conditions. When it is dark, use **reflective materials** (e.g. armbands, sashes, waistcoats, jackets, footwear), which can be seen by drivers using headlights up to three times as far away as non-reflective materials.
- At night your child's bicycle **MUST** have **white front and red rear lights lit**. It **MUST** also be fitted with a **red rear reflector** (and **amber pedal reflectors**). White front reflectors and spoke reflectors will also help you to be seen. Flashing lights are permitted but it is recommended that cyclists who are riding in areas without street lighting use a steady front lamp.

Please also **INSIST** your child wears a helmet when riding their bicycle.

# PTA

## **Christmas presents for school staff**

Due to the exceptional circumstances that the staff at George Abbot have found themselves in this term, the governing body and PTA committee felt it would be a great gesture to give each member of staff a small Christmas gift to thank them for their care and to acknowledge their hard work. We are sure parents will feel the same way and if you would like to donate to this great cause to show your appreciation, then [please click here to donate via PayPal](#). WisePay link to follow next week. Any money that is remaining once the gifts have been purchased will go to the George Abbot Opportunities Fund.

## **Big thanks for a fun quiz!**

Thanks to everyone who attended and helped us **raise £553 towards the Drama Department's staging area**. And huge **congratulations to the Richardson family** who won against some pretty tough opposition. If restrictions continue, we will look to run this again next term in lieu of a face-to-face quiz

## **Second-hand Uniform**

Following another donation day we have some **new stock including smaller-sized blazers**. We're still taking orders for delivery - email [PTA@georgeabbot.surrey.sch.uk](mailto:PTA@georgeabbot.surrey.sch.uk).

## **Christmas shopping?**

Our [easyfundraising](#) and [AmazonSmile](#) schemes **are free** and is one of the best ways we can raise funds for the school at the moment. If you're Christmas shopping **please remember to use these links**.

Best wishes and stay safe,

from the PTA.
