

## SIMS App Student Guide

Step 1: You will need to **log into your school email account** via the **Student Hub** page on the **school website** via a **computer or laptop** in the **first instance**, for **registration purposes**.  
<https://www.georgeabbot.surrey.sch.uk/student-hub/>

opportunities realised.

Here you will find shortcuts to all the teaching and learning online resources we use at school. Please make full use of these tools in preparation for exams, consolidating knowledge or completing coursework and homework tasks.

Remember to make a note of your login details and do not share these with others.

The format of your email address is the first four letters of your surname followed by the first four letters of your legal first name, followed by a dot and the year you joined George Abbot, followed by @georgeabbot.surrey.sch.uk

**Example:** xxxyyyyy.19@georgeabbot.surrey.sch.uk

Step 2: When you log in to your school email account you would have received an email (from [noreply@sims.co.uk](mailto:noreply@sims.co.uk)) containing an **Accept Invitation** link and a personal invite code.

Step 3: Click on the green **Accept Invitation** button.

Step 4: This will take you to the **SIMS website** where you need to **choose an account type** to log on with. There are a number of options such as Facebook, Google etc but you should use the **second Microsoft icon**, with the red box (**NOT** the multi-coloured 'Windows' one):

Step 5: Your **unique code** should be **automatically** filled in, and you then click **register**. You will be asked to fill in your **date of birth** in the following format **dd/mm/yyyy**.

Step 6: You will then be **registered**.

Step 7: You should now be able to download the **SIMS student app** on to your phone from the **Play Store or App Store**, and login the same way as above.
