Any withdrawal for GCSEs will be subject to the approval of the Deputy Head, Student Development & Progress.

Candidates or parents/carers can request via HoDs:

Before each exam series, the importing of the basedata and creation of marksheets will be undertaken by the Exams Office.

All school entries will be captured on an Entry Marksheet which will be undertaken by the Exams Office. HoDs/Subject Teachers will be required in SIMS to check these entries.

Completed Marksheets must be checked within SIMS by the given deadline as communicated by the Examinations Manager. Marksheets will then be locked and any further changes/amendments must be emailed to exams@georgeabbot.surrey.sch.uk.

Where a candidate wishes to take an early qualification in a Modern Foreign Language that is taught at the Centre (French, German or Spanish), again they can only do so from Year 10 onwards. A fee of £30 will be charged to cover the cost of administering the exam, including the oral and invigilation.

The Examinations Manager will inform the awarding bodies in accordance with JCQ deadlines of any conflicts of interest.

This will include any members of Centre staff who are taking a qualification at their own Centre which include internally assessed components/units or, any members of Centre staff who are teaching and preparing members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (eg son/daughter) for qualifications which include internally assessed components/units.

The Examinations Manager will also maintain clear records where exams office staff have members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (eg son/daughter) being entered for examinations and assessments either at the Centre or another Centre.

This will also include Centre staff taking qualifications at their Centre which do not include internally assessed components/units and Centre staff taking qualifications at other Centres. Additionally this will include any external invigilator who has members of their family (which includes step-family, foster family and similar close relationships).

4.2 Retake/Non Taught Subject Entries

This Centre will accept entries for retakes/non taught subjects from candidates currently on roll. All entries will be entered by the Exams Office from completed forms submitted by the appropriate deadline date.

This Centre will accept retake/non taught subject entries only in exceptional circumstances from former candidates only or where there is a valid connection to the Centre for A Level and GCSE examinations. Where there is a non-examination assessment involved, all marks/grades will be carried forward. An administration charge of £30 will be levied against the candidate to cover all relevant administration costs in addition to the cost of each exam entry. External Entries will be entered by the Exams Office from completed entry forms submitted by the appropriate deadline date.

Where a candidate wishes to take a foreign language not on the School curriculum, the Centre will only agree to enter the candidate provided they use the provision of the External Service Provider (provided by the School) or their Private Tutor is willing to conduct the oral exam according to JCQ regulations. Parents/Private tutors must provide their sign off that the student is being taught the correct specification. It remains the parent's/Private tutor's responsibility to ensure that all material/information required to conduct the oral exam is understood by them and the student. It is also the responsibility of the Parent/Private tutor to ensure that all material/forms are understood and completed before any examination sat. An administration fee of £30 for the oral will be charged in addition to the exam entry costs for all non-taught language exams plus any costs related to the External Service Provider for the oral component, if used.

5 Exam Fees

The Centre will pay all normal exam fees on behalf of candidates. "Normal exam fees" are one entry per candidate per subject or unit. The Centre will pay late entry or amendment fees resulting from changes requested by the Centre. Where late entries or amendments occur as a result of the appropriate deadline not

being met by the Department, the appropriate charges will be levied against the Department.

Candidates may be liable for fees resulting from entries or changes to entries which are against the advice given by the Centre and result in additional fees or where Candidates have not met the appropriate deadlines.

Candidates or Departments will not be charged for withdrawals or amendments made by the proper procedures provided these are made within the time allowed by the awarding bodies.

The Centre may pay some or all fees (which fall outside of the scope of normal fees as defined above) in cases of hardship when a parent or carer is unable to meet the cost. The Centre requests that a parent or carer who is unable to meet the cost of a request for an entry, change to an entry or withdrawal discusses the case with the HoFs/HoDs or the Exams Office, who will then liaise with the HoFs/HoDs. A decision will be made based upon whether it is deemed an appropriate entry, change or withdrawal for the candidate.

6 The Equality Act 2010, Special Needs, Access Arrangements and Special Considerations

6.1 The Equality Act 2010

The Equality Act 2010 covers general qualifications. All Centre staff must ensure that the access arrangements and special consideration regulations and guidance are consistent with the law.

The Centre will recognise its duties towards disabled candidates as defined under the terms of The Equality Act 2010. The Centre will explore and provide access to suitable courses, submit applications for reasonable adjustments and make reasonable adjustments to the service the Centre provides to disabled candidates in administering their examinations.

6.2 Special Needs

A candidate's special needs requirements are determined by the SENCO/Specialist Assessor who will arrange for appropriate testing through the Centre's Specialist Assessor.

The SENCO/Specialist Assessor will provide subject teachers and the Examinations Manager with details of candidates with special educational needs who are following a line of study leading to an exam. The SENCO/Specialist Assessor will agree with subject teachers any special arrangements that candidates require during both the course and the exam.

The SENCO/Specialist Assessor is responsible for requesting modified papers as appropriate from the exam boards and ensuring this is captured on the access arrangements list for candidates.

The SENCO/Specialist Assessor will inform the Examinations Manager of access arrangements that need to be managed and put in place for any disabled candidates on an individual basis, in order for the Centre to meet its obligations under The Equality Act 2010.

The ordering of modified papers using *Access Arrangements on-line* will be the responsibility of the Specialist Assessor and nominated member of staff within the VI Department.

The SENCO/Specialist Assessor will assist the Examinations Manager during a general JCQ Inspection for the Access Arrangements element.

6.3 Access Arrangements

An access arrangement is an additional arrangement made available to a candidate which allows them access to an exam equal to that of other candidates. An arrangement may be long term and must therefore reflect the candidate's normal way of working, such as the use of a sign language interpreter. A temporary access requirement may also be arranged, such as a scribe for a student with a broken arm.

Candidates requiring access arrangements must sign a Data Protection Notice giving consent to the Centre to share their personal details with awarding and regulatory bodies.

The SENCO/Specialist Assessor and VI Department are responsible for ensuring that applications for access arrangements are made using *Access Arrangements On-line* or in writing to the appropriate awarding body. All applications must be made by the deadline imposed by awarding bodies before each exam series. The Centre deadline for all Access Arrangements for a summer exam series will be the Friday before the February half term. The Centre will not accept any applications for Access Arrangements after these deadlines except for emergency Access Arrangements on the day of the exam.

The SENCO/Specialist Assessor will have in place a statement available to Parents/Carers which details the criteria the Centre uses to award and allocate word processors for exams.

Parents/Carers seeking private reports to support an Access Arrangement for a summer exam series must ensure that this report is submitted to SLT before the Christmas holidays for review and approval. Private reports cannot be used in isolation to grant Access Arrangements.

The SENCO/Specialist Assessor is responsible for informing the Examinations Manager of candidates requiring long term access arrangements, arranging testing and providing appropriate evidence to support an application for access arrangements.

Candidates are responsible for informing the Examinations Manager of any factors which may require a temporary arrangement. Medical evidence may be required to support an application for access arrangements. However, in some circumstances the Examinations Manager or other appropriate Centre staff may be able to authenticate an application where the need is obvious, e.g. a broken arm.

Applications for access arrangements, including all supporting evidence, will be retained on file in a secure environment within the SENCO/Specialist Assessor's department. These may be subject to inspection by JCQ as part of an access arrangement inspection or an examination inspection.

The Examinations Manager is responsible for ensuring that appropriate arrangements are in place for candidates to take exams. The rooming and support of such candidates will be arranged in conjunction with the SENCO/Specialist Assessor and invigilation will be provided by members of the invigilation team. Any arrangement for disabled candidates will be managed on an individual basis to enable the Centre to meet its obligations under The Equality Act 2010.

Subject Teachers are responsible for ensuring access arrangements are appropriately applied to all assessments internal and external.

Before the main exam series students/parents will be required to sign off access arrangements that have been granted.

6.4 Special Considerations

Special Considerations can be submitted for:

- Candidates who are present for assessment but disadvantaged by illness or misfortune
- Candidates who are absent for a timetabled component/unit for acceptable reasons

The Examinations Manager is responsible for ensuring that applications for special consideration are made either on-line or in writing to the appropriate awarding body as soon as it is known a special consideration is required. All applications must be made by the deadline imposed by awarding bodies.

Candidates are responsible for informing the Centre (the Examinations Manager, HoYs, a teacher or an invigilator) of any factors preventing the candidate from attending an exam, any factors which may affect or may have affected the candidate's performance during an exam. Centre staff notified of such cases must inform the Examinations Manager immediately.

Medical evidence from a professional may be required to support an application for special consideration. However, in some circumstances the Examinations Manager or other appropriate Centre staff may be able to authenticate an application where the need is obvious, e.g. bereavement at the time of the exam.

Evidence requested from the candidate to support an application for special consideration must be supplied to the Examinations Manager.

Applications for special consideration, including supporting evidence, will be retained on file by the Examinations Manager. These may be subject to inspection by JCQ as part of an access arrangement or examination inspection.

The Examinations Manager is responsible for forwarding to teaching staff any requests for additional evidence received from awarding bodies. Teaching staff are responsible for providing this evidence to the awarding body promptly and informing the Examinations Manager of any problems with doing so.

If a candidate is ill at the time of their exam, the Examinations Manager, where possible, will endeavour to apply for a Special Consideration if applicable.
