

# George Abbot Bulletin

...the weekly round-up and preview for GAS parents and carers

## Headteacher's Message

5 November 2021

All

Welcome back to the Autumn Term part ii. Over the next 7 weeks we will see Remembrance Day and some of our finest musicians performing at the Guildford Cathedral Coffee Concert, our Year 11-13 Progress Support meetings also on 11 November, Anti-Bullying Week, national Maths challenges, the school show - Little Shop of Horrors, Year 7 Parents' Meetings, Year 11 Mocks, the Year 10 RE mock exam, the Christmas Carol Service at Guildford Cathedral. All of this amidst the run up to Christmas, the end of this calendar year and perhaps, a 2022 marginally less dominated by COVID-19 (there is optimism and then, frankly, there is delusion, Mrs Carriett).

This week, we have been delighted to receive an ever higher number of first choice applications for George Abbot School for Year 7 entry in 2022. We have seen a very busy Sixth Form Open Evening for 2022 entry, with Year 11 students, external students and many parents/carers visiting our classrooms, hearing our subject leaders speaking with expertise and genuine academic joy in their subject disciplines and all that they have to offer our students. These two events in one week reinforced the significant work we undertake together, as parents, carers and teachers – we have the privilege to oversee our children realising their own dreams. Between the age of 11 and 18 our children transform. Julie Lythcott-Haims is an American author and her book 'How to raise an adult; break free of the overparenting trap and prepare your kid for success' is, frankly, a challenging read. It certainly made me consider and question my own parenting. In her book's conclusion, she says of our children:

"They must be the authors of themselves as well as the authors of the twenty-first century, a span of time simultaneously more intimate and global, more understood and unpredictable, than we can yet comprehend. The most seemingly intractable environmental and social problems ever faced by humans will confront the next generation. They will be called upon to be hard workers, skilled thinkers, and problem solvers, compassionate and involved citizens, persons of good character, and perhaps even parents themselves. As parents we'll have succeeded if our kids have the wherewithal to be and do these things on their own rather than by counting on us to assist or stand in for them."

Our Year 11 and Year 13 students face an important year. We want them to be ready for their next stage, despite everything that the last 18 months has thrown at us. We want them to be everything that Julie describes above. As parents/carers, we know that their journey through their teenage years has looked a little different. Yet, as I see them in school, I am consistently impressed by their resilience, positivity, determination and engagement in shaping their futures, in authoring themselves. Not every day will be a glowing success – but every day will be a day closer to confidence, knowledge, skill and readiness for a life of great contribution.

Kate Carriett  
 Headteacher

### Reporting LFT Test Results

Please continue to report your child's test results to the two following links:

## Notices

### Whole School

#### ⇒ COVID-19 Vaccinations: Thursday 11 and Friday 12 November

COVID-19 vaccinations will be taking place on Thursday and Friday next week for those who have opted in. Students will be informed of timings for their vaccinations by next week.

Students should wear their **HOUSE SHIRT** on the day of their vaccination. Additionally, students will need to **wear a face mask** for their vaccination and whilst waiting to be seen. Please ensure your child has their water bottle with them.

If you have any questions about these immunisations, please contact the School Immunisation Team on 01483 728201, extension 377. The portal for e-consents is now closed so please contact the team for further advice. **If you have not given consent for your child to have the COVID-19 vaccine, they will not receive it.**

#### ⇒ Uniform

Following the half term break, the school shop will continue to be open by appointment. To book an appointment, please either call our office on 020 8687 1502 or email [spsschoolshops@yahoo.com](mailto:spsschoolshops@yahoo.com) using the header 'GA APPOINTMENT'.

You are also welcome to order by emailing us using the header 'GA ORDER' – please include the items you need (including the size), your child's name and a contact number so that we can call you to take payment. We will then advise of collection arrangements.

For any parents/carers who ordered and paid for GCSE PE polos last term, these are now ready for collection from the shop and we have emailed you with collection details.

#### ⇒ Canteen Provision before and after school

Please see [attached posters](#) inviting students to Raynham Canteen, where they can buy breakfast from 8.00am-8.30am and an afternoon snack from 3.15pm-3.45pm each day.

#### ⇒ Work Experience

In order to supplement and enrich their Sixth Form studies, Year 12 students are required to undertake a one week work experience. The aim of this is to help equip them with some real-life work experience skills which they can then use for their personal statements/CVs/applications. The designated week for work experience is 28 February – 2 March 2022.

Please do let us know if you know of anyone who may be able to offer some work experience of up to 5 days. We would request that the work experience is not with a lone worker and is low risk in nature. Please email [enash@georgeabbot.surrey.sch.uk](mailto:enash@georgeabbot.surrey.sch.uk) if you have any contacts or are able to help in any way. Many thanks from the Work Experience Team.

#### ⇒ Ex-student uncollected exam certificates

Due to the COVID pandemic we were unable to hold our standard exam certificate collection event in January 2021. Therefore, we will now hold an exam certificate collection opportunity for ex-students who left in the Summers of 2018; 2019 & 2020 on Tuesday 9 November and Wednesday 10 November. This event will be held in Elmslie Hall on both dates from 4:00pm-7:00pm. Doors to the left of Reception will be open for entry and exit.

Important: This is the only collection opportunity for ex-students to claim their uncollected certificates for 2018 & 2019. In accordance with JCQ regulations, after this event these will be destroyed securely.

[Return to home page](#)

## Whole School

Ex-students who cannot collect in person can nominate another individual, but Exams must be informed in advance by email: [exams@georgeabbot.surrey.sch.uk](mailto:exams@georgeabbot.surrey.sch.uk). The nominated individual MUST bring photo ID in order for the school to release the certificates.

However, should an ex-student urgently need their certificate(s) the student can request via email to [exams@georgeabbot.surrey.sch.uk](mailto:exams@georgeabbot.surrey.sch.uk) for an on-roll student to collect on their behalf at the end of the school day. Alternatively, an ex-student can request for these to be sent via Recorded Delivery, by completing the form on our website: [www.georgeabbot.surrey.sch.uk](http://www.georgeabbot.surrey.sch.uk). Payment will need to be made via WisePay, either through a sibling account or by requesting the Finance Department to reactivate their WisePay account. If you have any queries regarding this event, please contact us: [exams@georgeabbot.surrey.sch.uk](mailto:exams@georgeabbot.surrey.sch.uk) - 01483 888024.

### ⇒ EAL competition

A reminder to all students who speak an additional language at home as well as English, that there is a competition running about the benefits of being bilingual. The deadline is Friday 12 November. Please look at the [attached leaflet](#). You may well be in with a good chance of winning a £20 voucher as so far entries are relatively low. Email entries to [Bbarratt@georgeabbot.surrey.sch.uk](mailto:Bbarratt@georgeabbot.surrey.sch.uk) or hand in to either library.

### ⇒ Young Carers

A young carer is anyone under the age of 18 who provides unpaid help and support for someone at home, please refer to 'What is a young carer?' leaflet [attached](#). If you feel that your child meets the criteria of a young carer, please register them with Surrey Young Carers. They are a fantastic organisation that offers fun, support and opportunities to meet other young carers.

If you require any further information or support from school, please contact our Young Carer Coordinators Mr Harding [sharding@georgeabbot.surrey.sch.uk](mailto:sharding@georgeabbot.surrey.sch.uk) or Mrs Corcoran [ecorcoran@georgeabbot.surrey.sch.uk](mailto:ecorcoran@georgeabbot.surrey.sch.uk)

### ⇒ Talking about online relationships—advice for parents/carers

Young people spend, on average, two to three hours a day online. Online usage is an important part of how young people conduct their relationships, but it isn't always the easiest topic to speak to your child about. ThinkUKnow have produced a series of resources to support parents/carers speaking to children around the topic of online relationships called #AskTheAwkward. <https://www.thinkuknow.co.uk/parents/ask-the-awkward/>

### ⇒ To the Teachers of the Future...

The George Abbot SCITT will be hosting the following [information events](#) to recruit teacher trainees for next academic year. Please see the attached flyer for more information.

- Wednesday 8 November - 16.30 via Zoom.
- Friday 10 December - 9.30am at George Abbot School.
- Tuesday 11 January - 18.30 via Zoom.
- Monday 7 February - 9.30am at George Abbot School.
- Monday 14 March - 18.30 via Zoom.
- Monday 28 March - 10.30am at George Abbot School.

Register here: <https://www.eventbrite.co.uk/o/george-abbot-scitt-17838056406>

## Sixth Form

### ⇒ REMINDER: Year 11 - 13 Progress Support Meetings – Thursday 11 November 5.00pm – 7.00pm, online video appointments via the Parents Evening System

Please be reminded that the Progress Support Meetings will be taking on Thursday 11 November. Parents/carers who have been invited to attend have been sent an email from the Parents Evening System notifying them of this, with details of their appointments. Please note students are also expected to attend the clinic.

## Sixth Form

If you have not received an email from the Parents Evening System inviting you to attend please can you check your email junk or clutter folders or alternatively log in to the system to check you do not have any appointments.

The appointments are eight minutes long and at the end of the eight minute appointment the video call will automatically end. Unfortunately, it is not possible for the teacher to extend the appointment. Appointments have been made using the priority one contact we have listed for each student in our Parents Evening System. If you have appointments for more than one of your children, as long as they have been made for the same parent/carer then the appointments should run consecutively after you have selected the 'Start New Appointment' button.

## Year 12

### ⇒ **FAO Year 12s with Exam Access Arrangements**

If your son/daughter had extra time, use of a computer, reader or scribe for their GCSEs, this has rolled over into Sixth Form for internal assessments. They now need to start collecting evidence to prove they still need and use these arrangements for their Sixth Form subjects, so that we can apply for their external exams.

They can collect forms from Ms Barratt in USIC (or [download them here](#)). One form per subject needs to be completed and signed by their teachers and returned to Ms Barratt with a piece of work where extra time has been used and evidenced.

Please ask your son/daughter to make an appointment with Ms Barratt in USIC as soon as possible, as some students will have to undergo extra testing due to the JCQ rules governing extra time becoming more strict.

Please try to encourage your child to provide this evidence as soon as possible, as if they don't, the school cannot apply for them to have the extra time for their external exams.

As always please don't hesitate to get in touch if you have any concerns:  
[BBarratt@georgeabbot.surrey.sch.uk](mailto:BBarratt@georgeabbot.surrey.sch.uk)

## Year 11

### ⇒ **REMINDER: Year 11 - 13 Progress Support Meetings – Thursday 11 November 5.00pm – 7.00pm, online video appointments via the Parents Evening System**

Please be reminded that the Progress Support Meetings will be taking on Thursday 11 November. Parents/carers who have been invited to attend have been sent an email from the Parents Evening System notifying them of this, with details of their appointments. Please note students are also expected to attend the clinic. If you have not received an email from the Parents Evening System inviting you to attend please can you check your email junk or clutter folders or alternatively log in to the system to check you do not have any appointments.

The appointments are eight minutes long and at the end of the eight minute appointment the video call will automatically end. Unfortunately, it is not possible for the teacher to extend the appointment. Appointments have been made using the priority one contact we have listed for each student in our Parents Evening System. If you have appointments for more than one of your children, as long as they have been made for the same parent/carer then the appointments should run consecutively after you have selected the 'Start New Appointment' button.

### ⇒ **REMINDER: Early Internal Examinations**

Year 11s will be sitting early formal internal examinations in Maths F/H Paper 1 and English Literature Paper 1, ahead of the formal internal examinations that will take place in December.

**Maths:** Students will sit Maths Paper 1 F/H Non Calculator on **Friday 19 November at 1:55pm**. Students must have a ruler graduated in centimetres and millimetres, protractor, pair of compasses, pen, HB pencil and eraser.

[Return to home page](#)

<p><b>Year 11</b></p>	<p>Students should liaise with their teachers who can advise where they can find questions to help with revision. Students will need to revise everything they have been taught from the start of Year 9.</p> <p><b>English:</b> On <b>Monday 22 November at 8:30am</b> students will sit a formal internal examination for English Literature. In light of the recent changes to exams guidance from AQA, this will enable students to familiarise themselves with the new format of the literature papers. Students will sit Paper 1N - The 19th Century Novel: A Christmas Carol, and Paper 1M - Modern Texts: An Inspector Calls. Teachers will make revision resources available on the Student Learning Environment and Satchel One.</p> <p>Additionally, AQA has made the decision to reduce the required subject content from the GCSE English Literature specification, in light of the disruption to schooling over the past academic year. As a result, students will no longer be examined on the Love and Relationships Anthology Poetry, so there is no requirement for students to revise these poems for their internal examinations. Instead, the December English Literature internal exam paper will cover Shakespeare: Macbeth, and Unseen Poetry. The GCSE English Language papers are unaffected and will go ahead in their current format. More details on the December internal examinations will be made available over the coming weeks.</p>
<p><b>Year 10</b></p>	<p>⇒ <b>Maths Paper—w/c 22 November</b>  Students will be sitting a Maths paper during their Maths lesson in the w/c 22 November. They must have a ruler graduated in centimetres and millimetres, protractor, pair of compasses, pen, HB pencil and eraser. Some classes will also need a calculator.</p> <p>Please encourage your child to look at SMHW and speak to their teacher, who can advise you on where you can find questions to help with revision and the topics that will be covered.</p> <p>⇒ <b>REMINDER: RE GCSE Internal Examination—Friday 19 November, 8.30am</b>  Students in Year 10 will sit their RE GCSE internal examination on Friday 19 November at 8.30am. It will last 1 hour 45 minutes. Students will be examined on the following four units: Christianity: Beliefs and Teachings, Christianity: Practices, Buddhism: Beliefs and Teachings, Crime &amp; Punishment.</p> <p>A revision calendar as well as revision guides, activities, workbooks and mind-maps are all available on SatchelOne. Please encourage students to start revising early.</p> <p>There is no requirement to purchase a revision guide, but if you wish to do so we would suggest: AQA GCSE Religious Studies A: Christianity and Buddhism Revision Guide Paperback – 1 Jan 2018 by Marianne Fleming (Author) .</p>
<p><b>Year 8</b></p>	<p>⇒ <b>Autumn Maths Assessment</b>  Year 8 Autumn Maths Assessment will take place during the w/c 15 November. The assessment will contain all learning covered this year, topics included are as follows: Ratio and Scale, Multiplicative Change, Multiplying and Dividing Fractions, Working in the Cartesian plane.</p> <p>Revision resources including video tutorials, practice questions and answers can be found on the SLE or on the following link: <a href="#">Year 8 Maths Lessons 2021-2022.xlsx</a>  Pathway: SLE/Lessons and Resources/Mathematics/Year 8</p> <p>The assessment will be a calculator paper and standard maths equipment is required, including a pen, pencil, ruler and calculator.</p>
<p><b>Year 7</b></p>	<p>⇒ <b>Mathematics Taster Session for Year 7 Parents/Carers</b>  The Mathematics faculty will be holding a Taster Session for Year 7 Parents/Carers on 17 November between 5:30pm and 6:30pm. This session will help you to gain an insight into the nature of work undertaken, methodology, modern use of ICT and how best to help and support your child.</p> <p style="text-align: right;"><a href="#">Return to home page</a></p>

## Year 7

### ⇒ Mathematics Taster Session for Year 7 Parents/Carers

The Mathematics faculty will be holding a Taster Session for Year 7 Parents/Carers on 17 November between 5:30pm and 6:30pm. This session will help you to gain an insight into the nature of work undertaken, methodology, modern use of ICT and how best to help and support your child.

It is intended that this will be a relaxed evening and there is no need to worry if you have limited knowledge of mathematics. We hope you will take this opportunity to come and enjoy learning how mathematics is now taught in school, and get some ideas as to how you can best help and support your child in future. Mr Smith (Head of Faculty) will deliver a presentation and then be available to answer questions.

The presentation will take place in Elmslie Hall and as space is limited, we would prefer if only one parent/carer attended and the presentation is not intended for students.

We look forward to meeting you on Wednesday 17 November.

## Extra Curricular Timetables—Autumn ii Update

Please visit the following page of the website to view the updated extra curricular timetables, for each year group, for the rest of the term. An updated Sport timetable is provided below.

# House Cross Country Event 2021

The first half term saw the annual House Cross country event at George Abbot. Years 7, 8 and 9 ran the course over three afternoons where over 100 students chose to represent their houses and run. Every year group showed true resilience and grit to compete the course, with some outstanding performances and times achieved. Falcon were the most represented house having 29 runners! Every student earned a house point for completing the run and those who came in the top ten earned bonus house points for their performances as well as being nominated to represent the school in District Sports. Those who do qualify for selection will receive a letter/email with all of the information needed. It was a truly outstanding week of cross-country. The PE team were so proud of all participants. Well done and thank you.

# Focus on: Sustainable George Abbot

COP26 is underway in Glasgow, where countries will be discussing the state of the climate and their national commitments to limit climate change. Today, a group of George Abbot students are representing Australia in a 'Mock COP' organised by Zero Carbon Guildford.

The George Abbot Community is working hard to ensure that our school becomes fully sustainable. We believe we can all contribute to addressing climate change. We have made the decision to be part of the solution, by launching the Sustainable George Abbot process. We aim to produce a school wide Sustainability Plan by asking students & staff what their vision of a Sustainable GA would look like in 2030. More information to follow.

Before half term, this group of students participated in a workshop on Doughnut economics, which is a visual framework aimed at highlighting the importance of development which meets all social needs without compromising planetary boundaries. Nine schools from the local area will be representing eleven countries in the mock COP working on identifying and agreeing strategies aimed at keeping global temperature rise below 2 degrees.

We will hear more from our students next week on their experience of the Mock COP in the bulletin.

## New After-School Club: the George Abbot Sustainability Team Wednesdays after school from 3:20-4:00pm in E9

The school is in the early stages of the 'Sustainable George Abbot' process and we need you! We'd love to have any students interested in sustainability in general, whether that be climate change, biodiversity, energy efficiency or creative solutions to the global and local environmental challenges we are facing. We look forward to welcoming students to this new club beginning on Wednesday 10 November.

## Careers

**Careers opportunities:** <https://www.georgeabbot.surrey.sch.uk/careers-opportunities/>

- Brooklands College Open Events—10 and 11 November
- Brooklands College Travel Exhibition—17 November

**Apprenticeship opportunities:** <https://www.georgeabbot.surrey.sch.uk/apprenticeship-opportunities/>

- Network Rail Apprenticeships
- Cyber Apprenticeships
- AON Apprenticeships

**Virtual Work Experience opportunities:** <https://www.georgeabbot.surrey.sch.uk/virtual-work-experience/>

- King's College London—Medicine and Dentistry Lecture Series—February 2022

## PTA

Welcome to the new school year from the new PTA! We hope you all had a lovely summer break. So much has happened in the last 2 months, and we are excited to update you.

We had our AGM on 19 October 2021, and a lot of new members joined the PTA. For the main committee, Audrey Bean was voted in as new Chair and Dusty Weaver was voted in as new Vice Chair. Tony Mainee is continuing on as Expert Treasurer, and we have SO many existing and brand new volunteers and parents/carers with new ideas and skills.

facebook.com/georgeabbotparents  
PTA@georgeabbot.surrey.sch.uk  
georgeabbot.surrey.sch.uk/pta/

[Return to home page](#)

We met a lot of new parents/carers with marketing skills, selling skills and just general great fundraising ideas. We also enjoyed some snacks and wine – an important part of this new committee’s social life!

We are planning a Year 7 and Year 8 parents/carers coffee morning at the end of November; a Christmas Fair week of activities; the big annual Clandon Park run; a curry and quiz night, and SO much more. The PTA will also have some social events to meet other parents/carers, socialise, and just enjoy this journey!

We would love you to get involved – please follow us on [Facebook](#) and look at our pages on the [school web-site](#). Even if you just want to share ideas, please email us and add your voice!

**Reminder: come and support our second hand school uniform sale on Saturday 6 November from 9.00am-11.30am in the Raynham Foyer. Don't miss out - Everything £1!!!**

With many thanks for your support, The PTA.
