

## Student Finance

<https://www.gov.uk/student-finance>

Student Finance normally opens for applications in the February of the year that you are planning to go to university. You will need to reapply for each year that you attend university.

There are two loans available:

- **Tuition loan** - available to all who qualify for a UK government loan. Please see the guides below for eligibility.
- **Maintenance loan** - available to all who qualify for a UK government. However, the amount is means tested against parental income. Please see the guides below for eligibility.

Student Loans Company

You can apply for your loan before you have chosen your university.

- You need to give the Student Loan Company your bank details.
- Let the Student Loan Company know of any changes for example if you parental income has changed, the university you choose, you change your course, address, email and so on.
- If you drop-out of university you still have to repay your loan.
- You have to reapply for both loans each year.
